ALL EVENTS

ONLY those who have pre-entered for the event will be permitted to register on Wednesday evening (between 19:00 and 20:00 only). An email will be sent to those eligible. Further registration for this group will be available on Thursday morning.

Registration for those who have NOT pre-entered will take place on Thursday morning up to the limit set in conjunction with the Club.

Competitors are advised to read paragraph 8 of the Notice of Race (below) and pre-enter so that they do not make a journey to an event, only to discover that entries have closed.

NEW - Members at the 2013 AGM voted to increase the Gross Entry Fees and the Discounts for each of the future events. This was done in an attempt to encourage sailors to enter early for events (so that Clubs knew what numbers to expect) and to make it more attractive for them to do so.
