

To mark the Golden Jubilee of the NYC Junior Section which was founded in May 1967, the NYC will host a weekend of celebrations on Saturday May 20th & Sunday May 21st 2017.

The festivities will kick off with a reunion dinner for those who were members of the Junior Section between 1967 and 1972 on Saturday. On Sunday there will be a family fun day with a number of sailing races held in front of the clubhouse featuring past and present junior parents, members, and organisers. As well as sailing there will be a BBQ and plenty of fun activities ashore – a day for all NYC members and families to enjoy.

If you were a member of the Junior Section during these years, please send us your contact details, email/postal address to NYC Secretary (secretary@nyc.ie) – we'd love you to attend the festivities which promise to be a happy trip down memory lane.
